Dear Ms. Rebrovic,

This is to advise you that on January 3, 2002 FCN 000178 submitted by NatureWorks LLC to FDA became effective. This effective notification is part of list currently maintained on FDA's website at <http://www.fda.gov/food/ingredientpackaginglabeling/packagingfcs/notifications/default.htm>

Ingeo™ biopolymer 2500HP, 2003D, 3001D, 3100HP, 3251D, 3260HP, 4032D, 4043D, 4060D, 6100D, 6202D, 6260D, 6302D, 6400D, 7001D, and 7032D may therefore be used in food packaging materials and, as such, is a permitted component of such materials pursuant to section 201(s) of the Federal, Drug, and Cosmetic Act, and Parts 182, 184, and 186 of the Food Additive Regulations. This material is not intended for medical devices.

All additives and adjuncts contained in the referenced Ingeo™ biopolymer formulation meet the applicable sections of the Federal Food, Drug, and Cosmetic Act. The finished polymer is approved for all food types and the following use conditions were within the scope of the FCN:

- B. Boiling water sterilized
- C. Hot filled or pasteurized above 150°F
- D. Hot filled or pasteurized below 150°F
- E. Room temperature filled and stored (no thermal treatment in the container)
- F. Refrigerator storage (no thermal treatment in the container)
- G. Frozen Storage (no thermal treatment in the container)
- H. Frozen or refrigerated storage: Ready-prepared foods intended to be reheated in container at time of use.

It is the responsibility of the manufacturer of the finished food-contact article to determine that the use of a product is safe, lawful, and technically suitable for the intended application. As the above referenced NatureWorks LLC product leaves the factory gate it is unadulterated and is permitted for use by the Food Contact Notification when used within the limitations indicated. The finished food-contact article must meet any applicable limitations and specifications described in the legislation.

As the manufacture of the finished food-contact article is outside of NatureWorks LLC control, NatureWorks LLC makes no warranties, express or implied, and assumes no liability in connection with any use of this information. In addition, our assurance statement is subject to the terms and conditions set forth in the invoice or other contract or shipping document issued by NatureWorks LLC with respect to any limitations on liability.

Best Regards,

William A. Suehr
